

Hi Everyone, Sorry to being a little late with this programme - too busy having a super time at Ailish's Ceilidh. It was great with such a variety of dances, even got John and Judy onto the dance flour! Well done that knee surgery. Thanks Ailish.

As usual, the programme is a mixture of familiar dances and one or two special Christmas or Hogmanay dances.

Santa hats are very welcome!

See you on Thursday.

There is no step practice. I will try to be a little early to get the heat on!
