

Dear All,

There is lots happening this Thursday; please bring cash!:

- John will be doing step/formation practice at 7:30.

- Judy will be bringing extra goodies to raise funds for Bewley's Big Coffee Morning for Hospice [Bewley's Big Coffee Morning for Hospice – Together for Hospice \(hospicecoffeemorning.ie\)](http://hospicecoffeemorning.ie)

- You may remember that, sometime back, we asked whether people would be interested in Club tote bags. Our logo has too many colours, so Mich, with advice from Daphne, spent ages sourcing something suitable. The committee approved the design and Daphne's company has printed them, so they will be available on Thursday at €5 each. Many thanks to Mich for all the effort she put into this.

All the dances except two are from the Belfast St Andrew's Night Dance programme. I have the tickets for those who have already expressed an interest, but we can have more. You have until Thursday 7th November to tell me if you want one.
